Engineering & Scientific Consulting

Sridhar Natarajan, M.D., M.S.

Principal | Biomechanics

Phoenix

+1-210-485-9136 tel | snatarajan@exponent.com

Professional Profile

Dr. Natarajan is Board Certified by the American Board of Pathology in Anatomic, Clinical and Forensic Pathology. He has been a Chief Medical Examiner for nearly 15 years with involvement in more than 10,000 forensic autopsies that included determining natural and non-natural causes of death and manners of death.

He retired from the position of Lubbock County Director/Chief Medical Examiner in August of 2018.

Dr. Natarajan has practiced forensic pathology with an emphasis on injury causation and biomechanics in both vehicular and non-vehicular traumatic events, as well as a variety of criminal matters. He has testified in over 300 cases as an expert in criminal and civil matters in district and federal courts and for the Department of Justice. Dr. Natarajan's extensive experience includes numerous investigations involving vehicular trauma, falls from height, occupational hazards, gunshot wounds, toxicology, burns, drowning, asphyxiation, electrocution, suicide-related events, blunt force trauma, sharp force injuries, abuse cases, and in-custody incidents.

Dr. Natarajan is a Colonel in the U. S. Army (Retired). He has completed tenures as the 4th Brigade Commander and Combat Medic Training Medical Director (San Antonio, Texas), the 80th Training (TASS) Command Surgeon (Richmond, Virginia), and as the Command Surgeon for the 79th SSC (Sustainment Support Command) located in Los Alamitos, California. He was recently awarded the Surgeon General's "A" Proficiency Designator, which is the highest recognition for professional excellence in Army Medicine. He has served as the Medical Director of various departments within the military and as Clinical Adjunct Professor for the USAF School of Aerospace Medicine.

He was appointed to the Texas Forensic Science Commission in 2006 by Governor Rick Perry and served in that capacity completing a three year tenure assignment. Dr. Natarajan is a Member or Fellow of a number of prominent national and international organizations; he has nationally lectured, published and was formerly on the Scientific Editorial Panel and the Board of Directors of the Association for the Advancement of Automotive Medicine. He has served as the Medical Director for the Lubbock County Sexual Assault Nurse Examiner (S.A.N.E.) Program. He returned as the Director and Chief Medical Examiner for Lubbock County, Texas, in February of 2009. Dr. Natarajan held an appointment as Clinical Professor in the Department of Pathology, Texas Tech School of Medicine through September 2021. He was a guest lecturer for the Nurse Practitioner Program at Lubbock Christian University (LCU), where he provided lectures on Accidental and Non-Accidental Pediatric Trauma for the course Advanced Practice Nursing and Forensics: Caring for High Risk Population. Dr. Natarajan is a principal consultant in the biomechanics practice at Exponent.

Academic Credentials & Professional Honors

M.D., Medicine, Medical University of South Carolina, 1992

M.S., Ceramic Science, Alfred University, 1982

B.A., Chemistry, Cornell University, 1979

M.D. Anderson Public Service Professor at the Texas Tech School of Law, Spring Semester, 2017

Forensic Pathology Fellowship, Bexar County Forensic Science Center and Office of the Medical Examiner San Antonio, Texas, 2001-2002

Medical Microbiology Subspecialty Training, Brooke Army Medical Center, San Antonio, Texas, 1997-1999

Anatomic/Clinical Pathology Residency, Brooke Army Medical Center, San Antonio, Texas, 1993-1997

Transitional Medicine Internship, Walter Reed Army Medical Center, Washington, D.C., 1992-1993

United States Navy Nuclear Submarine School, New London, Connecticut, 1983

United States Navy/Knolls Nuclear Reactor Prototype, Weston Milton, New York, 1983

United States Navy Nuclear Reactor Theory/Power School, Orlando, Florida, 1982-1983

Honors and Awards

Attorney General of New Mexico Letter of Appreciation, 2015

Letter of Appreciation - District Attorney, Donley County, Texas, 2014

United States Army Surgeon General's "A" Proficiency Designator, Excellence in Army Medicine, 2014

Lubbock Criminal District Attorney Justice Award (2010)

State Bar of Texas Certificate of Appreciation in Recognition of Distinguished Service of the Faculty of the 34th Annual Advanced Criminal Law Course, 2008

Army Forces Component Achievement Medal, 2007

Governor's Appointment of the Texas Forensic Science Commission, 2006, 2008

The State of Texas House of Representatives Appreciation Award for Support of Rural Law Enforcement, 2005

Meritorious Service Medal United States Army (oak leaf cluster), 2001, 2010, 2013

Army Achievement Award United States Army, 2000, 2013

Achievement Certificate Award for Outstanding Instruction in the Management of the Burn and Orthopedic Trauma Seminar United States Army, 1999

Achievement Certificate Award for Outstanding Contribution to the Brooke Army Medical Center Antibiofilm United States Army, 1998

Licenses and Certifications

Board Certified in Anatomic Pathology by the American Board of Pathology

Board Certified in Clinical Pathology by the American Board of Pathology

Board Certified in Forensic Pathology by the American Board of Pathology

State Medical License (TX)

Academic Appointments

Clinical Adjunct Professor, School of Medicine Department of Pathology, Texas Tech University Health Science Center, 2009-2021

Assistant Professor of Pathology, School of Medicine Department of Pathology, Texas Tech University Health Science Center, 2002-2006

Prior Experience

Lubbock County Chief Medical Examiner/Director (Retired), 2009-August 2018

Colonel, United States Army, retired December 2017

Consultant, Biodynamic Research Corporation, San Antonio, Texas, 2005-2009

Texas Forensic Science Commission, 2006-2009

Medical Director, Sexual Assault Nurse Examiner Program, Lubbock County, 2005-2006

Chief Medical Examiner, Lubbock County, and Director, Division of Forensic Pathology, Texas Tech University Health Sciences Center, Lubbock, Texas, 2003-2006

Assistant Professor of Pathology, Texas Tech University Health Sciences Center, School of Medicine, Lubbock, Texas, 2002-2006

Clinical Professor in the Department of Pathology, Texas Tech University Health Sciences Center, School of Medicine, Lubbock, Texas, 2009 - 2021

Deputy Medical Examiner, Lubbock County, Lubbock, Texas, 2002-2003

Assistant Medical Examiner, Bexar County Forensic Science Center, San Antonio, Texas, 2001-2002

Lieutenant Colonel, United States Army Attending Staff Anatomic/ Clinical Pathologist - Active Duty, Brooke Army Medical Center - Fort Sam Houston, San Antonio, Texas:

- Medical Director, Medical Microbiology, Brooke Army Medical Center, 1997-2001
- Medical Director, Blood Bank and Transfusion, Brooke Army Medical Center, 1998-2000
- Surgical and Autopsy Staff Pathologist, Brooke Army Medical Center, 1997-2001
- Chief/Medical Director, Flow Cytometry, Brooke Army Medical Center, 1997-1998
- Chief Resident, Department of Pathology, Brooke Army Medical Center/ Wilford Hall Medical Center, 1996-1997

Family Practice Physician, Hill Country Medical Center, Boerne, Texas, 1995-1999

Emergency Room Physician, Medina Community Hospital, Gould Emergency Room Physician Group, Hondo, Texas and Frio Hospital, Pearsall, Texas, 1995-1997

Family Practice/Emergency Room Physician, Alamo City Medical Group/Nix Hospital, San Antonio, Texas, 1993-2002

Emergency Room Physician, Alice Physicians & Surgeons Hospital, Alice, Texas, 1993-1996

Professional Affiliations

Member, Society of Automotive Engineers, 2007-present

Associate Member, American Academy of Forensic Sciences, 2008-present

Clinical Adjunct Professor, USAF School of Aerospace, Medicine, 2008-2011

Fellow, National Association of Medical Examiners, (NAME), 2002-present

Fellow and Diplomat of the American College of Pathologists (FCAP), 1997-present

Diplomat of the National Board of Medical Examiners, 1993-present

Fellow American Society of Clinical Pathologist (FASCP), 2013-present

Committees

Association for Advancement of Automotive Medicine

- Member, 2007
- Board of Directors Appointment, 2014-2020
- Scientific Program Committee, 2007-2017

Covenant Medical Center Trauma Peer Review - Morbidity and Mortality Team, 2012-2018

Lubbock County Child Fatality Review Team, 2002-2006/ 2009-2018

Member, Texas Forensic Science Commission, 2006-2009

Texas Tech School of Medicine

- Burn and Trauma Morbidity and Mortality Team, 2009-2018
- Program Director for Forensic Pathology Fellowship, 2005-2006

Texas Panhandle MHMR Review Committee, 2004-2006

Program Director for Annual Medicolegal Death Investigation Forensic Science Seminar, 2003-2006
Lubbock County Medical Examiner's Office (jointly sponsored)

Texas Panhandle Child Fatality Review Team, 2002-2006

Texas Tech Forensic Science Institute

- Planning Committee, 2002-2006

Brooke Army Medical Center

- Transfusion Practice Committee, 1999-2001
- Clinical Pathology Performance Improvement Program Committee, 1999-2001
- Performance Improvement Program Surgical Pathology, 1997-2001
- ENT Tumor Board Committee, 1997-2001
- Infection Control Committee, 1997-2001

Kytomaa, H., Colella, F., Natarajan, S., Morse, T., Caution Hot, Understanding and investigating Burn Injuries, Exponent's Webinar Series co-sponsored by the Ohio Association of Civil Trial Attorneys (OACTA), July 2018.

Project Experience

Fabrication and Evaluation of a Ceramic-Acrylic Composite Bone Cement (M.S. Thesis, Alfred University, Graduate School of Engineering and Science)

Additional Education & Training

Traffic Accident Reconstruction I & II, 2007

- Northwestern University Traffic Institute, Evanston, IL

Investigation and Reconstruction of Shooting Incidents

- Texas Forensic Associates, Texas City, TX, 2016

Osler Comprehensive Pathology Review Course, 2016, 2018, 2022

- 70 hours AMA Category 1 Credits

Blood Stain Pattern Analysis: Investigating Violent Crimes

- Basic Course, Texas Forensic Associates, Baton Rouge, LA, 2016

American Society of Emergency Radiology (ASER) Annual Meeting, 2021

74th American Academy of Forensic Sciences Scientific Conference, 2022

The University of Miami Leonard M. Miller School of Medicine, Annual Pathology Conference, 2022

Military, Medical, and Engineering Experience

Forensic Consultant

Colonel, United States Army – retired December 2017

Individual Ready Reserve (IRR) 63rd RSC, Colonel, United States Army Reserve, 2015-2017

Command Surgeon 79th Sustainment Support Command (SSC), Colonel, United States Army Reserve, January 2014-September 2015

Command Surgeon 80th Training Command (TASS), Colonel, United States Army Reserve, August 2010-December 2013

Commander, 4th Brigade (HS) 100th Division, Medical Director, 4th Brigade (2008-August 2010), Colonel, United States Army Reserve, 2009-2010

Physician, United States Army Reserve, 5th Brigade Medical Director/Medical Review Officer (MRO), 95th Division (IT), Colonel, United States Army Reserve, 2006-2008

Physician, 5501st Army Hospital United States Army Reserves, San Antonio, Texas, Rank of Lieutenant Colonel through Colonel, United States Army Reserve, 2001-2006

Active Duty Physician, Pathologist (61U) Rank of Captain through Lieutenant Colonel, United States Army, 1992-2001

Lieutenant, Nuclear Submarine Force-Unrestricted Line Officer (1980-1986) USS Henry L. Stimson SSBN 655 Blue Crew

Rank of Ensign through Lieutenant - Gold Dolphins Qualified

United States Navy Division Officer

- Electrical Engineering
- Reactor Plant Controls
- Damage Control Assistant
- Officer of the Deck
- Engineering Duty Officer
- Engineering Officer of the Watch
- Engineering Duty Office
- Diving Officer

Clinical Experience — Patient Care

Family Practice Physician, Hill Country Medical Center, Boerne, Texas, 1995-1999

Emergency Room Physician, Medina Community Hospital- Hondo, TX and Frio Hospital, Pearsall, Texas, Gould Emergency Room Physician Group, 1995-1996

Family Practice/Emergency Room Physician, Alamo City Medical Group/Nix Hospital, San Antonio, Texas, 1993-2002

Emergency Room Physician, Alice Physicians & Surgeons Hospital, Alice, Texas, 1993-1996

Clinical Experience — Anatomic Pathology and Clinical Pathology

United States Army Reserve Medical Corp, 2001-2017

Lieutenant Colonel, United States Army Staff, Anatomic/Clinical Pathologist - Active Duty, Brooke Army Medical Center - Fort Sam Houston, San Antonio, Texas

- Forensic Consultant, 2002-present
- Clinical Professor, School of Medicine Department of Pathology, Texas Tech University Health Science Center, 2009-2021
- Chief Medical Examiner, Lubbock County, Director of the Medical Examiner's Office, Lubbock, Texas, 2009-present (Anatomic, Clinical, Pathology and Pathology practice).
- Medical Director, Medical Microbiology, Brook Army Medical Center, 1997-2001
- Medical Director, Blood Bank Transfusion, Brooke Army Medical Center, 1998-2000
- Surgical and Autopsy Staff Pathologist, Brooke Army Medical Center, 1997-2001
- Chief/Medical Director, Flow Cytometry, Brook Army Medical Center, 1997-1998

Advisory Appointments

Governor's Appointment of the Texas Forensic Science Commission, 2006, 2008

Editorships & Editorial Review Boards

Tiwari A., Natarajan S., Editors. Applied Nanoindentation in Advanced Materials. Hoboken, NJ: Wiley, 2017.

Research Grants

New York State Health Council Grant (Alfred University, Graduate School of Engineering and Science, M.S.)
