

Exponent®
Engineering & Scientific Consulting

Kathy Carey, RN, CAISS

Senior Nurse | Biomechanics
Phoenix
+1-623-587-4169 | kcarey@exponent.com

Professional Profile

Ms. Carey is responsible for organizing and reviewing medical records and other healthcare documents, providing objective interpretations of these and other related documents, and creating detailed medical indices of the analyzed information. She investigates and interprets medical terminology, standards of care, expected outcomes, and literature for a wide range of healthcare issues while providing case-specific support to engineers and other members of project teams. She also provides medical oversight and guidance for activities at the Phoenix Test and Engineering Center.

Prior to joining Exponent, Ms. Carey had extensive nursing experience in medical intensive care, critical care, and surgical units. Additionally, Ms. Carey had experience as a legal nurse consultant with both plaintiff and defense law firms on a variety of cases, including: medical malpractice, personal injury, product liability, pharmaceuticals, and mass tort litigation.
