## Mehreen Khan

Senior Scientist | Chemical Regulation and Food Safety  
Nottingham  
+44 (0) 1332 868013 | [khanm@exponent.com](mailto:khanm@exponent.com)

### Professional Profile

Ms. Khan graduated from the University of Leeds with a MChem and BSc in Medicinal Chemistry. During this time she worked on the synthesis of diazirine containing chemical probes through organic synthesis, peptide synthesis and biological methods.

These probes demonstrated successful crosslinking to a formyl peptide receptor, FPR1, which has been implicated in a wide variety of inflammatory conditions. Ms. Khan's current work focuses on the compilation and submission of REACH registration dossiers and the provision of in-house expertise in the field of medicinal chemistry.

### Academic Credentials & Professional Honors

Master of Chemistry, Medicinal Chemistry, University of Leeds, UK, 2020

### Languages

French
